

We are pleased to announce a new program through the FARM Club for our junior members: **The FARM Club Jumpstart Program**

**What is it?** It is a scholarship of sorts for any member's children (14-18) who have a project and might need a little financial support. Whether it be a tractor, a sickle bar mower, a plow, or a lawn mower, whatever it is, the club will provide 25% of the costs **UP TO \$500** (this is of course so we are not financing the whole works, we are doing this to assist our younger members)

**What are the requirements and how do we apply?** If you answer yes to all the requirements, contact Jim at the contact info below and a form will be sent to you. The requirements are:

- Family must be current club member
- Applicant age 14-18
- Project must be older than 25 years old
- You must provide a description of the project, what direction you are taking it (paint only/mechanical/full restoration) with some details, and a photo of the project
- Provide an itemized list of the parts and costs of the project
- Show up to a meeting in January-May and July to give updates on the project
- Show project the next year (even incomplete)
- Provide information on other activities you are involved in (school/4H/etc) and parent/guardians information

**When can we apply and when will we know if we won?** Applications are accepted May-June-July, the decision on who wins will be made in August, and the announcement will be made in September

**Who makes the decision on who wins award?** We have a committee of 4 members who will review applications and make a decision

**How do we get ahold of Jim?** Jim Hurst, 9600 Pleasant Renner Rd, Goshen, OH 45122 or (513)877-2765.

**Committee Members are: Walt Biggs Jr, Kyle Flynn, Jim Hurst, Gene Rolke**
